- Confinement facilities usually administered by a local law enforcement agency, intended for adults but sometimes holding juveniles;
- All jails and city/county correctional centers that hold inmates beyond arraignment. Report data on all inmates, including those held in separate holding or lockup areas within your facility;
- Special jail facilities (e.g., medical/treatment/release centers, halfway houses, and work farms);
- Inmates held for other jurisdictions, including federal authorities, state prison authorities and other local jail jurisdictions.

EXCLUDE:

- Facilities that are exclusively used as temporary holding or lockup facilities from which inmates are usually transferred within 72 hours and not held beyond arraignment;
- Privately operated jails and facilities operated by two or more jurisdictions (i.e., multi-jurisdictional facilities; these jails will be contacted directly for data on deaths in their custody);
- Deaths of persons in the process of arrest by your agency if they have not yet been booked into your jail facility. Arrest-related deaths should be reported using a CJ-11A form.
