## FIGURE 8B

**Sexual assault victimizations, by offense type and victim age, North Dakota, 2015**

| Offense type                         | Number | Percent of all sexual assault victimizations |
|--------------------------------------|--------|----------------------------------------------|
| <b>Total</b>                         | 690    | 100.0%                                       |
| <b>Rape</b>                          | 293    | 42.5%                                        |
| <b>Victim age</b>                    |        |                                              |
| Under 5                              | 8      | 1.2                                          |
| 5–13                                 | 39     | 5.7                                          |
| 14–17                                | 64     | 9.3                                          |
| 18–24                                | 80     | 11.6                                         |
| 25–34                                | 58     | 8.4                                          |
| 35–64                                | 43     | 6.2                                          |
| 65 or older                          | 1      | 0.1                                          |
| <b>Sodomy</b>                        | 38     | 5.5%                                         |
| <b>Victim age</b>                    |        |                                              |
| Under 5                              | 5      | 0.7                                          |
| 5–13                                 | 20     | 2.9                                          |
| 14–17                                | 9      | 1.3                                          |
| 18–24                                | 0      | 0.0                                          |
| 25–34                                | 1      | 0.1                                          |
| 35–64                                | 2      | 0.3                                          |
| 65 or older                          | 1      | 0.1                                          |
| <b>Sexual assault with an object</b> | 28     | 4.1%                                         |

|                   |            |              |
|-------------------|------------|--------------|
| <b>Victim age</b> |            |              |
| Under 5           | 8          | 1.2          |
| 5–13              | 11         | 1.6          |
| 14–17             | 3          | 0.4          |
| 18–24             | 3          | 0.4          |
| 25–34             | 1          | 0.1          |
| 35–64             | 2          | 0.3          |
| 65 or older       | 0          | 0.0          |
| <b>Fondling</b>   | <b>331</b> | <b>48.0%</b> |
| <b>Victim age</b> |            |              |
| Under 5           | 27         | 3.9          |
| 5–13              | 113        | 16.4         |
| 14–17             | 69         | 10.0         |
| 18–24             | 62         | 9.0          |
| 25–34             | 27         | 3.9          |
| 35–64             | 31         | 4.5          |
| 65 or older       | 2          | 0.3          |

Note: Excludes 7 sexual assault victimizations for which victim age is unknown. Details may not sum to totals due to rounding and percentages shown in tables may differ slightly from the percentages displayed in the report text. Percentages in the report text are rounded to the nearest whole number, while percentages displayed in tables and visualizations are rounded to the nearest tenth.
