Note: Excludes 105 sexual assault victimizations for which hour is unknown and 528 sexual assault victimizations for which victim-offender relationship is unknown. See Methodology for description of data transformations to values for incident time of day and for victim-offender relationship categories. Details may not sum to totals due to rounding and percentages shown in tables may differ slightly from the percentages displayed in the report text. Percentages in the report text are rounded to the nearest whole number, while percentages displayed in tables and visualizations are rounded to the nearest tenth.
