| 30 or older                         | 197,441,600             | 959,720               | 1,233,180 | 71.7                                | 49.8 †                | 55.6 †  | 0.9                | 0.7                    | 0.8                  |
| Multiple offenders of various ages  | ~                       | 161,660               | ~         | ~                                   | 8.4                   | ~       | ~                  | ~                      | ~                    |

Note: Details may not sum to totals due to rounding and missing data for offender characteristics. An incident is a specific criminal act involving one or more victims or victimizations. Violent incidents excluding simple assault include rape or sexual assault, robbery, and aggravated assault. Offender characteristics are based on the victims' perceptions of the offenders. See appendix table 17a for standard errors.

\*Comparison group.

†Significant difference from comparison group at the 95% confidence level.

! Interpret with caution. Estimate is based on 10 or fewer sample cases, or coefficient of variation is greater than 50%.

~Not applicable.

<sup>a</sup>The National Crime Victimization Survey population represents persons age 12 or older living in non-institutionalized residential settings in the U.S.

<sup>b</sup>Includes incidents in which the perceived offender characteristics were reported. The sex of the offender was unknown in 7% of incidents, the race/ethnicity of offender was unknown in 12% of incidents, and the age of offender was unknown in 13% of incidents.

<sup>c</sup>Excludes persons of Hispanic/Latino origin (e.g., "white" refers to non-Hispanic whites and "black" refers to non-Hispanic blacks).

<sup>d</sup>Includes Native Hawaiians and Other Pacific Islanders, American Indians and Alaska Natives, and persons of two or more races.

<sup>e</sup>While the NCVS does not survey victims age 11 or younger, victims may report the offender to be age 11 or younger.

The Bureau of Justice Statistics of the U.S. Department of Justice is the principal federal agency responsible for measuring crime, criminal victimization, criminal offenders, victims of crime, correlates of crime, and the operation of criminal and civil justice systems at the federal, state, tribal, and local levels. BJS collects, analyzes, and disseminates reliable statistics on crime and justice systems in the United States, supports improvements to state and local criminal justice information systems, and participates with national and international organizations to develop and recommend national standards for justice statistics. Jeffrey H. Anderson is the director.

These tables were prepared by Barbara Oudekerk. Erika Harrell, Rachel Morgan, and Jennifer Truman verified the tables.

Edrienne Su edited the tables. Morgan Young produced the tables.
