---

Note: Excludes 38 sexual assault victimizations for which victim age is unknown and 998 sexual assault victimizations for which victim-offender relationship is unknown. See Methodology for description of victim-offender relationship categories. Details may not sum to totals due to rounding and percentages shown in tables may differ slightly from the percentages displayed in the report text. Percentages in the report text are rounded to the nearest whole number, while percentages displayed in tables and visualizations are rounded to the nearest tenth.
