2019 Survey of Law Enforcement Personnel in Schools (SLEPS)
School Resource Officer Rostering Form

Please use the table on the following pages to list all of the sworn officers from your jurisdiction who are assigned to work in any **K–12 public school**. The total number should match the totals provided in Questions 20a and 21 of the LEA survey. We will use this list to randomly select some officers to receive a survey about activities performed by sworn law enforcement officers assigned to schools. This list will only be used for statistical purposes and will be kept confidential.

Options for listing officers:

- Provide the names and/or badge numbers of these officers.
- If your agency would prefer to provide information other than the name and badge number of these officers, please list an alias or other information that you can use to identify these officers in the table below. Please keep a copy of the list linking the alias to the individuals so that you can distribute the SRO-level survey to the sampled officers. We will send out the officer survey materials shortly after the due date of the agency-level survey.

It is estimated that it will take 10 minutes, on average, to complete this Rostering Form.

Please provide your completed Rostering Form by:

- using the enclosed Business Reply Envelope;
- contacting Dustin Williams with RTI by telephone at (866) 309-4564 to make other arrangements.
